PROFILE

Seringe is a Digital Media Consultant, Content Creator, owner of the European Gazette online newspaper (europeangazette.com), founder of Digital Solutions firm World Advanced Solutions W.A.S. (worldadvancedsolutions.com), and journalist for The Holland Times. His experience revolves around one thing – reaching as many current and potential stakeholders as possible to make a desired impact. With a wealth of experience as a self-employed digital expert, he **welcomes independent contracts from firms interested in his expertise.**
